

MBF and The Pharmacy Guild are working together to offer you the following great healthcare benefits:

- Save on average 11.26% on your private health insurance with MBF HealthLink Corporate products[#]
- Up to 90% of the charge back on general dental and selected optical, physiotherapy and chiropractic services at MBF MemberCare Providers*
- A waiver of the 2 & 6 month waiting periods on extras - so you can claim immediately on most extras services[^]

SWITCH AND YOU WON'T WAIT

If you currently have health cover and switch to an equivalent level of cover with us, you won't have to re-serve your waiting periods for services you were previously covered for.*

11.26% saving is the national average saving on our packaged HealthLink products compared with the equivalent stand-alone products normally offered to retail customers. The level of saving depends on the state in which the customer resides, the product and the excess selected by the customer. * Up to the Limits of your cover. ^ Only available if you're a new Bupa Australia member and take up both hospital and extras cover through your company's health plan with MBF. Must also join MBF within the first 2 months of commencing employment with your company to be eligible. Not with other offers. Other waiting periods apply. + Applicable if you transfer within 60 days of leaving your previous health insurer. Waiting periods may apply for benefits not fully covered with your previous health cover. Any unserved waiting periods apply. ++ Visit www.mbf.com.au/wellness for a full list of partners, partner offers and terms and conditions.
